

Seven Questions for Clarifying Our Top Priorities

The questions below are designed to help you consider what is most important in your life and provide you with specific ideas for living according to your priorities. We recommend you take 15-20 minutes to answer these questions and then create an action plan to help you actually make these changes in your life.

1. What are my top five priorities? (Defining "priorities" as the people and/or things that merit my best attention.)

-

-
-

2. What distracts me from living according to these priorities?

3. What beliefs do I need to change so I can stay focused on what matters most?

4. What actions do I need to stop doing, start doing, or continue doing?

Stop

Start
