### Other:

### Kitchen/M meal Jobs

Each week, everyone can choose ONE of these jobs that they'll do daily or after each meal as needed. OR each day, mom or dad can simply assign whoever's handy to do each of these jobs.

- ⤴ Empty Dishwasher
- ⤴ Fill Dishwasher
- ⤴ Clear table and countertops and wipe them down
- ⤴ Sweep the floor

## Specific Job Directions

### Dusting Directions:

- ⤴ Use a slightly damp rag (have mom or dad check it).
- ⤴ Use your finger inside the rag to get into the corners.
- ⤴ Take things off horizontal surfaces before dusting. Dust the surface, then dust the things that go on the surface, then put the things back how they were.

### Sink-cleaning Directions:

- ⤴ Spray all over the bowl of the sink inside and out
- ⤴ Use damp cloth to wipe down and polish sink
- ⤴ Spray back splash and faucets
- ⤴ Wipe down back splash and faucets
- ⤴ Use fingernail inside rag to clean get into cracks around base of faucet
- ⤴ Use fingernail inside rag to clean get into cracks around drain

### Toilet Cleaning Directions:

- ⤴ Lift up toilet seat
- ⤴ Sprinkle cleanser inside the toilet bowl
- ⤴ Scrub toilet bowl with scrubber
- ⤴ Spray rim of toilet bowl and wipe down
- ⤴ Spray and wipe down top and bottom of toilet seat
- ⤴ Spray and wipe down top and bottom of toilet lid
- ⤴ Spray and wipe down top and sides of tank
- ⤴ Spray the base of the toilet and wipe down
- ⤴ Spray around the toilet on the floor and wipe down
- ⤴ Spray the inside and wipe

### Vacuum Directions:

- ⤴ To clean the middle of the floor, use the main vacuum and start on one side of the room and work your way across, going over each area 2-3 times. Make sure the vacuum is on the right setting.
- ⤴ To clean the edges, use the hose and use the crevice cleaning attachment on carpets and the small brush attachment on hard floors

**Your Bedroom Responsibilities** (Your room must be picked up daily before bedtime. The following are required weekly – must be done before you can do fun activities on Saturday.)

### 5-10 minute weekly tasks

- \_\_\_ Dust baseboards, door ledges and headboard and footboard
- \_\_\_ Clear off night table and dust night table and lamp
- \_\_\_ Clear off dresser, dust dresser top, dust and replace approved items that go on top
- \_\_\_ Vacuum middle area of floor
- \_\_\_ Vacuum edges with edge cleaning tool of vacuum
- \_\_\_ Put away clutter on desk/night table/dresser

### Once-a-month tasks (might take up to 30 minutes):

- \_\_\_ Take everything out from under your bed
- \_\_\_ Vacuum under bed (corners too!)
- \_\_\_ Put approved stuff back under the bed (in containers, neatly)
